INTRODUCTION

SOMETHING ABOUT
OUR COMPANY

SOMETHING ABOUT
OUR COMPANY

We are **Aezowie Infotech Services Private Limited**, an **IT company** established in North India. We **provides** IT services like **software development, designing and network security** to corporations and startups by our IT Wala App. We also provide **trainings** via our brand Hacking Club®.

Some of our **clients** are **Government of India, New Delhi Institute of Management & Sainik Enterprises.** We also helped the Indian Government to secure the official Startup India website from a security risk. Aezowie is founded by 21 year old entrepreneur Surya Pratap Singh who is an Indian cyber security expert, author, mentalist and artist.
